

Coronavirus Catch Up Funding Statement 2020-2021

The school will be allocated around £11,000 in catch up funding. Provisionally we anticipate that this will be used for

- 1:1 tuition for disadvantaged pupils through Connex Education Partnership.
- Reading books
- Clicker Licences
- Use of teachers for interventions in the core subjects
- Well-being resources.

This statement will be updated once school allocation has been received.
