

Dear Parents/Carers

It has been so great to see the sun this week and the children playing outside without coats and lots of layers on! It has been lovely weather for our Walk to School week. I hope that you have been able to walk with your child this week and have enjoyed completing the activity booklet. The weather looks fine and dry for the next week and beyond so I really hope that the walk to school on some days can continue. It is really good to see so many bikes and scooters parked outside!

I can't believe that next week is the last week before half term the year seems to be flying. On Wednesday we had our second group of Wizzers children in school, they again were happy and enjoyed the afternoon and the activities.

The children have been working hard this week, Year R have been doing lots of work around the Hungry Caterpillar and they are watching how their caterpillars change into a cocoon then into butterflies. Meanwhile Year 1 are learning about fractions in maths and exploring tints in art. Year 2 are also enjoying art, painting portraits of King Charles III for our display in the entrance hall.

Thank you to the PTFA for organising the disco last Friday with Aaron. All the children had great fun dancing and playing the games with Aaron. They all looked very smart in their party clothes.

Enjoy the weekend and the sunshine and we will see you all back in school on Monday.

Kind Regards

Tina Lagdon – Head Teacher
