

Dear Parents/Carers

Preparation for Christmas is really in full swing now! It was great to see so many of you at the Christmas Bazaar on Saturday. From the school's point of view, it was great to have the buzz of so many people in school and see so many smiling faces. Thank you to everyone who helped with the bazaar as without so many willing helpers it would never have happened and the additional funds raised really do help us to give the children those added extras.

The elves have also made an appearance in school yesterday conjuring up mischief! The Year R children have a grotto where they are decorating trees and wrapping up presents. Forest School and After School Club have also been very busy with Christmas craft activities.

Rehearsals are in full swing for the Christmas productions and all ticket allocations will be sent out next week. If you have forgotten to request tickets please do so as soon as possible

Kind Regards

Tina Lagdon
Head Teacher

Sharing Time

This term sharing time is Wednesday 7th December at 2.40pm for all year groups. Please access school via your usual door.

Christmas Party Day

Christmas party day is on Thursday 15th December. All year groups will be having party food mid-morning and then games will be played throughout the day. Please sign up on the party food list in each classroom. This year we have decided to limit the amount of food we are asking for as the children still have their normal school dinner therefore they do not need lots of extra food as well.

Year 2 to attend BJS Christmas Service

Year 2 have been invited to attend the BJS Christmas service at St Peters' Church on Thursday 15th December. The children will walk to the church in the afternoon then will return to school for normal pick up time.

Lunchtime Supervisor

We require a lunchtime supervisor from January 4th 2022 working 12 noon until 1pm. This will be to support a child during the lunchtime session. If you are interested in this position and would like further information please ring the school office. In addition to this we are looking for a lunchtime supervisor who can cover when there is sickness or a need for additional cover. Again, please contact the school office if you are interested in this position.

Flu Immunisations

The school nursing team will be in school on Monday 5th December to give flu vaccinations to all the children whose parents have given permission online. Please note that only children whose parent/carers have given consent in advance will be vaccinated and no verbal consents will be accepted on the day. A second offer will be made after the session for children to be vaccinated via a clinic appointment.

Extended Services

Please can we kindly ask that anyone with outstanding invoices for Term 2 to settle these as soon as possible. Invoices for Term 3 will be uploaded on sQuid on 12th December. Please contact the school office if you would like to make a booking.

Special Christmas Breakfast Club Sessions

The children all had a lovely time at the Special Christmas Breakfast Club this morning with Mrs Shaw and Mrs Fenning. There are still spaces available on Friday 9th December if your child would like to join.

The children will have a choice of cereals, Christmas shaped toast and yummy cinnamon swirls. Your child is also welcome to bring their favourite Christmas teddy or doll to join them!

National Online Safety

We would like to remind you that the National Online Safety website has lots of posters and help guides for all the online platforms, as well as quick helpful video guides to help with some top tips for online safety for younger children in KS1. As well as the website you can download an app from the Apple/Android Stores. As a member, school and our parents have free access to the site and all the resources, below is the link for you to register with National Online Safety: <https://nationalonlinesafety.com/enrol/waynflete-infants-school>.

This week we have attached a guide about “Mental Health “

Christmas Jumper Day Friday 16th December - Save The Children.

Christmas jumpers can be worn on Friday 16th December. We are doing this to show support for Save the Children but we recognise that these are tough times and it is totally fine if you can't donate anything. You do not need to buy a brand-new jumper, you could swap with friends, visit the Save the Children online shop, visit a charity shop or even make your own jumper! Take a look at: <https://www.savethechildren.org.uk/christmas-jumper-day/about/sustainability-and-inclusivity>

DIY CHRISTMAS JUMPER IDEAS

- **Snowy Jumper**

Stick cotton wool onto your old jumper and place it all around to create a snowy effect. Why not bunch up some cotton balls and add orange felt to create a snowman too?

- **Christmas Tree Jumper**

Cut out a triangle out of green felt or card to make the tree top. Then cut out a smaller brown rectangle for the stump and stick it below the triangle. It's as easy as that! Or go the whole hog and hang some real baubles from your tree!

- **TINSEL JUMPER**

You can never have too much tinsel... or maybe you actually do have too much and need to use it up! Wrap a few pieces around a green jumper and stick it on with fabric glue. You can even stick on some coloured felt circles, cotton balls or pom-poms to make baubles for an ultra-festive jumper.

- **Snowman Jumper**

This is a really simple but effective design. Do you have a plain white jumper which is a little old and worn out? Add an orange triangle for a carrot nose and black spots or buttons for eyes and mouth and you have a cute and festive snowman jumper!

- **Christmas Gift Jumper**

Tie a huge ribbon around your waist and turn yourself into a Christmas present! You can even stick some Christmas wrapping bows to the front of your jumper and add a little name tag. Why not finish off the look by wearing a little bow on your head?

- **Festive Message Jumper**

You might be struggling with the crafty side of upcycling but a dab hand at drawing or art. Take a plain-coloured jumper and simply use fabric pens to write a festive message or draw festive art directly on to the jumper. This will be a jumper that's personal to you - the essence of upcycling!
