

Dear Parents/Carers

What a great week we have had in school despite the cold and wet weather. Year 1 have had an excellent week of sports and fitness. On Wednesday they worked with Jack who is the sports leader for the Brackley Primary schools. Everyone took part in circuits that developed their PE skills. The children loved it and great fun was had by all.

Yesterday the whole school took part in workshops led by 'Fitness 4 Kids'. Again, great fun was had by everyone and the children had to think about healthy eating and take part in fitness exercises.

The school value that we are working towards in the next couple of weeks is 'Determination' so keep an eye on your inbox for an email to see whether your child has been awarded the certificate.

Headteacher

Dropping off

Please make sure that you arrive at the right time and if you miss your time slot wait until the end of the class who is dropping off. We still need to keep our community safe as there has been a confirmed case at BJS this week, even though infection rates are improving the virus is still around. Thank you for your co-operation with this.

Trek to Tokyo

Well done to everyone who has logged miles so far. We have now reached marker 3 which is *Munich - 699 miles*. Remember to log onto the website and log any miles that you do over the weekend.

School Reading Lucky Dips

This week I was able to give out about 30 lucky dips for reading, for those children who had collected 5 stickers for home reading. Reading at home makes so much difference to your child and the progress that they make. If your child has not yet had a lucky dip this academic year please try to read with them so that they can get a prize. Check the back of your child's reading comment book to see how many stickers they have so you know how many more you need to collect. The look on a child's face when they get their first prize for the year is priceless so please help your child achieve their lucky dip. Thank you for your support with this.

Holiday club at BJS

Last week you would all have received a leaflet about Premier Sports running a holiday club at BJS. Please have a look at the website and see if this is something you can make use of for your child. It is only for WIS and BJS children so will be very safe and they will be with children they know.

Extended Services

The school office is now taking bookings for extended services for the final half term of the year, 7th June until 16th July. Please fill in the booking form and email it back to the school office. We are still able to take adhoc bookings throughout the week either by emailing or ringing the school office.

Dodgeball Year 1

After the May half term Dodgeball Club will be offered to Year 1 children. They will take part in a taster session in school and you will then be offered the opportunity to pay for sessions on a Monday after school. The Year 2 children will then be offered the chance to take part in a football session on a Tuesday after school.

Book Fair

As mentioned last week we have booked a Scholastic Book Fair which will run between 14th and 20th May. The books will be arriving in school next Friday 14th May and the children will have a chance to look at these. Due to current restrictions books can only be ordered online. Attached is a parent guide and order form which also contains a list of the books available to buy. The order form is self-explanatory, but should you have any queries, please do not hesitate to contact the School Office who will be able to provide you with any further information.

Next week

Monday	Dodgeball Year 2
Tuesday	Strings and Football Year 1
