

Dear Parents/Carers

As we come to the end of another very busy week in school the children continue to work really hard and to wholeheartedly contribute to everything that we are doing in school. There is lots going on in school at the moment and there is so much to look forward to in the last few weeks.

We had a great day on Tuesday for the sponsored trundle, the weather was just perfect, dry but not too hot or sunny. The children really challenged and pushed themselves to do as many laps around the school that they could. I was very pleased and proud that every single child took part so well done to them all. Thank you very much to all that have sent sponsorship money in so far, I look forward to sharing with you the amount raised when we have received everyone's contributions.

This is Year 1's hall board and we will share with you Year R's next week. I am sure that you will agree the hall boards look fantastic. They are brightly coloured and make the school hall feel a very welcoming place.

Remember to keep an eye on your inbox to see whether your child has been awarded the school champion for this week.

Thank you to everyone who has sent in a £1.00 or made payment via sQuid for today's Mufti Day. If you haven't made your contribution yet you can still pay on sQuid or send in your contribution on Monday. Please may we remind you that this is a fundraising event organised by the PTFA and every £1.00 helps towards our school – it has been a very difficult year for fundraising but the PTFA are still doing their utmost to help improve the school environment and give your children fun and enjoyable experiences. On a positive note it is lovely to see the children happy in their own clothes, they have certainly made a real effort!
