

Dear Parents/Carers

After what has felt like a very long half term we have finally reached the end and we can all look forward to a week of no school runs. The children have worked so hard all term and they all deserve some rest with what looks like better weather, do we dare say it, sunshine and some warmth!

It was very exciting to see all the children and staff in Year 1 dressed up as pirates for their Pirate Day on Wednesday. A great time was had by all. I had the privilege of watching them sing and dance to their pirate song and their sea shanty song was brilliant. This was a real step towards normality within school. As a school we are so looking forward to September when hopefully all restrictions will be lifted and we can be a whole school community again.

The school champion value that we are still focussing on is 'Determination' so keep an eye on your inbox to see if your child is awarded the certificate this week.

I look forward to seeing you all back in school on Monday 7th June. Have a great bank holiday and half term week, stay safe and well.

Transition day

There will be a whole school transition day on **Tuesday 29th June** where everyone will spend the day with their new class and teacher. This year all classes will be mixed up as last year, due to the virus, all classes were left as they were for continuity and well-being. The new intake children will spend either the morning or afternoon in school depending on the class they are in. More information on transition arrangements will be shared next term.

Fresh Start

The menus have been released so that you can go onto meal manager and book your child's meals for next term. Please remember we have the whole school trip on Monday 12th July so your child will need a packed lunch so please do not book a dinner for that day. Thank you.

House Points

Well done to all the children in Daffodils house who have achieved the most house points since we came back in March. They have all been given a book mark as their reward. We usually have mufti days on the last day of each term for the winners but, as you are all aware, this year these are being used for PTFA fund raising days.

Earrings

A gentle reminder that **all** earrings should be taken out on PE days as otherwise they pose a health and safety risk.

Trek to Tokyo

Well done to everyone who has logged miles we have reached checkpoint 5 which is Rome 1,887 miles. Do remember to log onto the website and log any miles that you do over the weekend and half term. <https://www.northamptonshiresport.org/log-your-home-based-activities>

Contact tracing over May half-term

Schools continue to play an important role in contact tracing for pupils, students and staff over the May half term holiday. If your child develops symptoms before midnight on Sunday 30th May and goes onto receive a positive test please can you inform the school office. Where pupils, students or staff test positive for COVID-19 during half-term, having developed symptoms more than 2 days since being in school, no action is needed. Staff, young people, parents and carers should follow contact tracing instructions provided by NHS Test and Trace.
