

Dear Parents/Carers

Welcome back to a new year in school. I would like to extend a warm welcome to all the new families that are joining us and as a school we are very much looking forward to working with you as you become part of the WIS community. I hope that you all had a restful summer and were able to enjoy the sunny weather.

Our Year 1 and Year 2 children have had a super first week back and we have enjoyed seeing so many eager smiley faces. They have worked hard and have adapted back to school routines and procedures really well.

The Year R teachers have been very busy completing home visits this week and have enjoyed meeting the new families and children ready for Monday. I look forward to meeting all the children next week.

Finally, following the sad news of the death of Queen Elizabeth II yesterday, as a school we will be celebrating her life with a special assembly. I am sure you will agree that this is an appropriate way for our children to reflect on and understand what has happened.

Kind Regards

Tina Lagdon
Head Teacher
