## Statement of intent

Waynflete Infants' School believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The school is committed to:

- Promoting desired behaviour.
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour.
- Challenging and disciplining misbehaviour.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents.
- Developing positive relationships with pupils to enable early intervention.
- A shared approach which involves pupils in the implementation of the school's policy and associated procedures.
- Promoting a culture of praise and encouragement in which all pupils can achieve.

The school acknowledges that behaviour can sometimes be the result of educational needs, mental health issues, or other needs or vulnerabilities, and will address these needs via an individualised graduated response.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the school aims to create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The school aims to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The school's Social, Emotional and Mental Health (SEMH) Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

### 3. Definitions

For the purposes of this policy, the school defines “serious unacceptable behaviour” as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour. This includes, but is not limited to, the following:

- **Discrimination** – not giving equal respect to an individual on the basis of age, disability, gender identity, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation
- **Harassment** – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals
- **Vexatious behaviour** – deliberately acting in a manner so as to cause annoyance or irritation
- **Bullying** – a type of harassment which involves personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual being bullied
- **Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature
- Possession of legal or illegal drugs, alcohol or tobacco
- Possession of banned items
- Truancy and running away from school
- Refusing to comply with disciplinary sanctions
- Theft
- Verbal abuse, including swearing, racist remarks and threatening language
- Fighting and aggression
- Persistent disobedience or destructive behaviour
- Extreme behaviour, such as violence and serious vandalism
- Any behaviour that threatens safety or presents a serious danger

- Any behaviour that seriously inhibits the learning of pupils
- Any behaviour that requires the immediate attention of a staff member

For the purposes of this policy, the school defines “low-level unacceptable behaviour” as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Lateness
- Low-level disruption and talking in class
- Failure to complete classwork
- Rudeness
- Lack of correct equipment
- Refusing to complete homework, incomplete homework, or arriving at school without homework
- Disruption on public transport
- Use of mobile phones without permission
- Graffiti

“Low-level unacceptable behaviour” may be escalated to “serious unacceptable behaviour”, depending on the severity of the behaviour.

#### **4. Managing behaviour**

At Waynflete Infants’ School we expect everyone to help learning take place by following the rules below:

**WE ALL:**

**Are gentle.**

**Are kind and helpful.**

**Work hard.**

**Look after property.**

**Listen to each other.**

**Are honest.**

These rules are displayed around our school and are shared regularly with the children in assemblies and class times. They are the basis for our positive behaviour strategy. Children who work towards these rules during the week are rewarded with cool time [choose our own learning} each Friday afternoon. Cool time takes place in each class and a variety of activities can be chosen.

On entry to school all children are assigned to a house, Daffodils, Roses, Shamrock and Thistles. Children can earn house points, alongside other things, for good behaviour thus promoting positive behaviour.

In Friday sharing assemblies children can be awarded a 'School Champion' award which promotes positive behaviour in relation to the school's values of good manners, determination, resilience, friendship, courage and respect.

Instances of unacceptable behaviour are taken seriously and dealt with immediately

After an initial incident of negative behaviour, the following sanctions are implemented:

The class teacher will discuss the incident with the child.

Discussion will be based around choices made, whether they are good or bad choices and consequences.

At this point a discussion should be enough to stop the unacceptable behaviour.

## **5. Consistent Inappropriate Behaviour**

For most of our children a quick verbal reminder of our behaviour expectations will be sufficient. However, if inappropriate behaviour becomes more consistent the following stages will be followed.

In EYFS a 'Rainbow, Cloud and Pot of Gold' are used as visual aids. All children names will be on the Rainbow and if there is behaviour that is unacceptable the child's name will be placed on the Cloud, when their behaviour improves their name is placed back on the Rainbow. Each day two children who have either behaved well or improved their behaviour will have their names on the Pot of Gold and on the following school day these children will be able to sit on the star chair. Each day is a fresh start and all children's names will be on the Rainbow.

In Key Stage 1 the following will apply after the child has been given an initial verbal warning about their behaviour.

The supervising adult initially deals with inappropriate behaviour in school and explains why the behaviour is unacceptable and draws attention to the school rules. To ensure that the child understands that their behaviour is unacceptable a time out of a couple of minutes is implemented.

If behaviour continues the adult reprimands with further explanation in relation to choices and consequences.

If inappropriate behaviour continues the child will be sent to the Head Teacher who will encourage more appropriate behaviour.

If behaviour occurs during playtime/lunchtime the supervising adult will deal with the behaviour instantly. The supervising adult will provide a warning to the child. If the behaviour continues the child will be given some time out and will stand with the adult.

The adult will try any other strategies that may be applicable to the child or incident. After any of the above, positive behaviour is rewarded with praise.

Following further incidents of unacceptable behaviour, the following sanctions are implemented:

- At this stage if inappropriate behaviour continues the Head Teacher will speak to the parents/carers so that home and school can work together and an Individual Behaviour Plan will be agreed. This plan will identify short term small step targets to improve behaviour, including a range of strategies and additional support if appropriate.

If necessary, the school will seek further advice from outside agencies to inform future progress, set targets and work with staff as appropriate.

If the inappropriate behaviour escalates to physical harm of either pupils or staff, the school will have no option but to follow exclusion procedures, initially for a fixed term. This is always a last resort for school, however, every individual in school has the right to feel safe and happy in their learning and working environment.

- The headteacher will consider whether the pupil should be excluded for a fixed term, in line with the school's Exclusion Policy, and will determine the length of the exclusion.
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place from the school's national SEND budget.
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, an Individual Behavioural Plan will be created to outline the necessary provisions in place.
- the Mental Health lead will keep a record of all reported incidents to help identify pupils whose behaviour may indicate potential mental health problems.

For discipline to be lawful, the school will ensure that:

- The decision to discipline a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the headteacher.
- The decision to discipline a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip or visit.
- The decision to discipline a pupil is reasonable and will not discriminate on any grounds, as per the Equality Act 2010.

The school will ensure that all discipline is reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other relevant information.

## **6. Prevention strategies and sanctions for unacceptable behaviour**

This section outlines the school's strategies for preventing unacceptable behaviour, minimising the severity of incidents, and using sanctions effectively and appropriately to improve pupils' behaviour in the future.

### **Positive teacher-pupil relationships**

Positive teacher-pupil relationships are key to combatting unacceptable behaviour. The school focusses heavily on forming these relationships to allow teachers to understand their pupils

and create a strong foundation from which behavioural change can take place. This relationship will initially be with the child's class teacher and/or teaching assistant.

### **De-escalation strategies**

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This includes:

- Appearing calm and using a modulated, low tone of voice
- Using simple, direct language.
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and creating an outcome goal.
- Identifying any points of agreement to build a rapport.
- Offering the pupil, a face-saving route out of confrontation, e.g. that if they stop the behaviour, then the consequences will be lessened.
- Rephrasing requests made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work".

### **Physical intervention**

Only trained members of staff have the legal right to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging school property, and to maintain good order and discipline in the classroom.

Physical restraint will only be used as a last resort and as a method of restraint. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary.

Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used. After an instance of physical intervention, the pupil will be immediately taken to the headteacher and the pupil's parent will be contacted – parents may be asked to collect the pupil and take them home for the rest of the day.

Any violent or threatening behaviour will not be tolerated by the school and may result in a fixed-term exclusion in the first instance. It is at the discretion of the headteacher as to what behaviour constitutes for an exclusion.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, the school will recognise and consider the vulnerability of these groups.

### **Time out space**

The school may decide to move a pupil to a separate room away from other pupils for a limited period to calm down. In the first instance this will be time out just outside the child's classroom or alternatively to sit quietly in the head teachers' room.

## **7. Sexual abuse and discrimination**

The school prohibits all forms of sexual abuse and discrimination, including sexual harassment, gender-based bullying and sexual violence. The school's procedures for handling peer-on-peer sexual abuse and discrimination are detailed in the Peer-on-Peer Abuse section in the Safeguarding policy.

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Child Protection and Safeguarding Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Discipline for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

## **8. Smoking and controlled substances**

In accordance with part 1 of the Health Act 2006, this school is a smoke-free environment. Parents, visitors and staff are instructed not to smoke on school grounds.

## **9. Effective classroom management**

Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour. The school understands that effective classroom management allows staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils.
- Establish agreed rewards and positive reinforcements.
- Establish sanctions for misbehaviour.
- Establish clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school rules, which requires pupils to:

- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Arrive to school on time and fully prepared.
- Follow reasonable instructions given by staff.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Report unacceptable behaviour.
- Show respect for the school environment.

### **Classroom rules and routines**

The school has an established set of clear, comprehensive and enforceable classroom rules which define what is acceptable behaviour and what the consequences are if rules are not adhered to. Attention is given to how rules are worded, such as the use of positive language

rather than negative, e.g. “act respectfully towards your peers and teachers”, rather than “do not act disrespectfully towards your peers and teachers”.

The school also has an established set of classroom routines to help pupils work well, in the understanding that behavioural problems can arise due to the lack of a consistent routine. This includes teachers ensuring that before lessons begin, they have the full attention of all pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing.

The headteacher ensures all teachers understand classroom rules and routines and how to enforce them, including any sanctions for not following the rules.

Teachers support pupils to understand and follow classroom rules and routines. Teachers inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Where appropriate, teachers explain the rationale behind the rules and routines to help pupils understand why they are needed, and will model rules and routines to ensure pupils understand them. Teachers also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils’ continued awareness and understanding of classroom rules and routines, teachers reinforce them in a range of ways, e.g. placing posters of the rules on classroom walls and providing regular verbal reminders of the routines. Teachers also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment.

At the beginning of the school year, once the classroom rules have been devised, these are displayed in the classroom. These rules are applicable to pupils’ behaviour elsewhere on the school premises and outside of the school – teachers will ensure that pupils understand this.

### **The classroom environment**

The school understands that a well-structured classroom environment is paramount to preventing poor behaviour. This includes the teacher positioning themselves effectively within the classroom, e.g. wherever possible, teachers avoid standing with their backs to pupils and ensure they have full view of the room at all times.

Teachers employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, such as:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.
- Seating those who frequently model poor behaviour away from each other.
- Ensuring the teacher can see pupils’ faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.

### **Praise and rewards**

The school recognises that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers ensure:

- They define the behaviour that is being rewarded.

- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.
- Children are rewarded with stickers and Head Teacher awards.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded.

The school has a number of options for rewards that can be given to pupils. These include social rewards, e.g. positive contact with parents, physical rewards, e.g. certificates, and activity-based rewards, e.g. additional play time.

## 10. Behaviour off school premises

Pupils at the school must agree to represent the school in a positive manner. This applies both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.

Staff can discipline pupils for misbehaviour outside of the school premises when the pupil is:

- Wearing school uniform.
- Travelling to or from school.
- Taking part in any school-related activity.
- In any way identifiable as being a pupil at the school.

Staff may also discipline pupils for misbehaviour off the school premises that, irrespective of the above:

- Could negatively affect the reputation of the school.
- Could pose a threat to another pupil, a member of staff at the school, or a member of the public.
- Could disrupt the orderly running of the school.

Any bullying witnessed outside of the school premises and reported to a member of staff, will be dealt with in accordance with the school's Anti-Bullying Policy: Pupils.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about the behaviour of pupils from the school are taken very seriously and will be dealt with in accordance with the Complaints Procedures Policy.

## **11. Monitoring and review**

This policy will be reviewed by the headteacher and mental health lead on an annual basis; they will make any necessary changes and communicate these to all members of staff.

This policy will be made available for Ofsted inspections and reviews by the lead inspector, upon request.

The next scheduled review date for this policy is September 2022.
