"An Academy for Infant children where excellence and enjoyment of learning enable all to achieve"

Dear Parent/Carer

COVID-19 (Coronavirus) Concerns

You are probably aware of the outbreak of the coronavirus and the subsequent confirmed cases in the UK. There's currently no cause for concern at the school, but we'll keep you informed about any developments.

At Waynflete Infants' School we take the health and safety of our pupils and staff very seriously, so we're sharing [guidance](#) from Public Health England below on steps you should be taking. Yesterday we put up some 'Advice on the coronavirus for places of education' posters which provide information and advice about the seriousness of the virus and ways to stop the coronavirus from spreading. You can find a copy of this poster attached to this email as well as being displayed on every classroom entrance/exit door and on the school notice board located just outside the main gate.

Prevent the spread of infection

Make sure you and your children follow these general principles to prevent spreading any respiratory virus:

- › Wash your hands often – with soap and water for at least 20 seconds, or an alcohol-based sanitiser if soap and water aren't available
- › Avoid touching your eyes, nose, and mouth with unwashed hands
- › Avoid close contact with people who are sick
- › If you feel unwell, stay at home and don't attend work or school
- › Cover your cough or sneeze with a tissue, then throw the tissue in a bin
- › Clean and disinfect frequently touched objects and surfaces in the home
- › If you're worried about your symptoms, please call NHS 111 – don't go directly to your GP or other healthcare environment

If you or your children have returned from a category 1 country or area in past 14 days

This includes:

- › Wuhan city and Hubei province, China
- › Iran*
- › Daegu or Cheongdo, South Korea*
- › Any Italian town under containment measures* (see the map [here](#))

*Only if you've returned on or after 19 February 2020

Contact NHS 111 for advice, and:

- Self-isolate for 14 days after leaving the country or area (see the [home isolation advice sheet](#) for help with this)
- If you become unwell, call NHS 111 immediately for an assessment (or 999 if you require emergency medical attention) – see below for the symptoms to look out for

If you or your children have returned from a category 2 country or area in last 14 days

This includes:

- Cambodia
- China (other than Wuhan city or Hubei province)
- Hong Kong
- Italy: north* (see the map [here](#))
- Japan
- Laos
- Macau
- Malaysia
- Myanmar
- Singapore
- South Korea (other than Daegu or Cheongdo)
- Taiwan
- Thailand
- Vietnam

*Only if you've returned on or after 19 February 2020

If you or your children are well:

- You don't need to avoid contact with other people
- Your other family members don't need to take any precautions or make any changes to their own activities

If you become unwell (see below for a list of symptoms):

- Stay indoors and avoid contact with other people as you would with other flu viruses (see the [home isolation advice sheet](#) for help with this)
- Call NHS 111 immediately for an assessment (or 999 if you require emergency medical attention)

Symptoms to look out for

If you've returned from any of the category 1 or 2 areas or countries, look out for the following symptoms:

- Cough
- Difficulty in breathing
- Fever (a temperature of 38 degrees C or higher)

According to other [official guidance](#), while you wait for further advice:

- Avoid contact with others
- Stay at home – don't go to work or school
- Don't travel while sick
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when coughing or sneezing, throwing tissues in the bin
- Wash your hands often with soap and water for at least 20 seconds (or an alcohol-based sanitiser if soap and water aren't available)

We will continue to update you with advice and information as we receive it.

Yours sincerely

Tina Lagdon
